PLANS FOR GAINING COMPLETE CONTROL

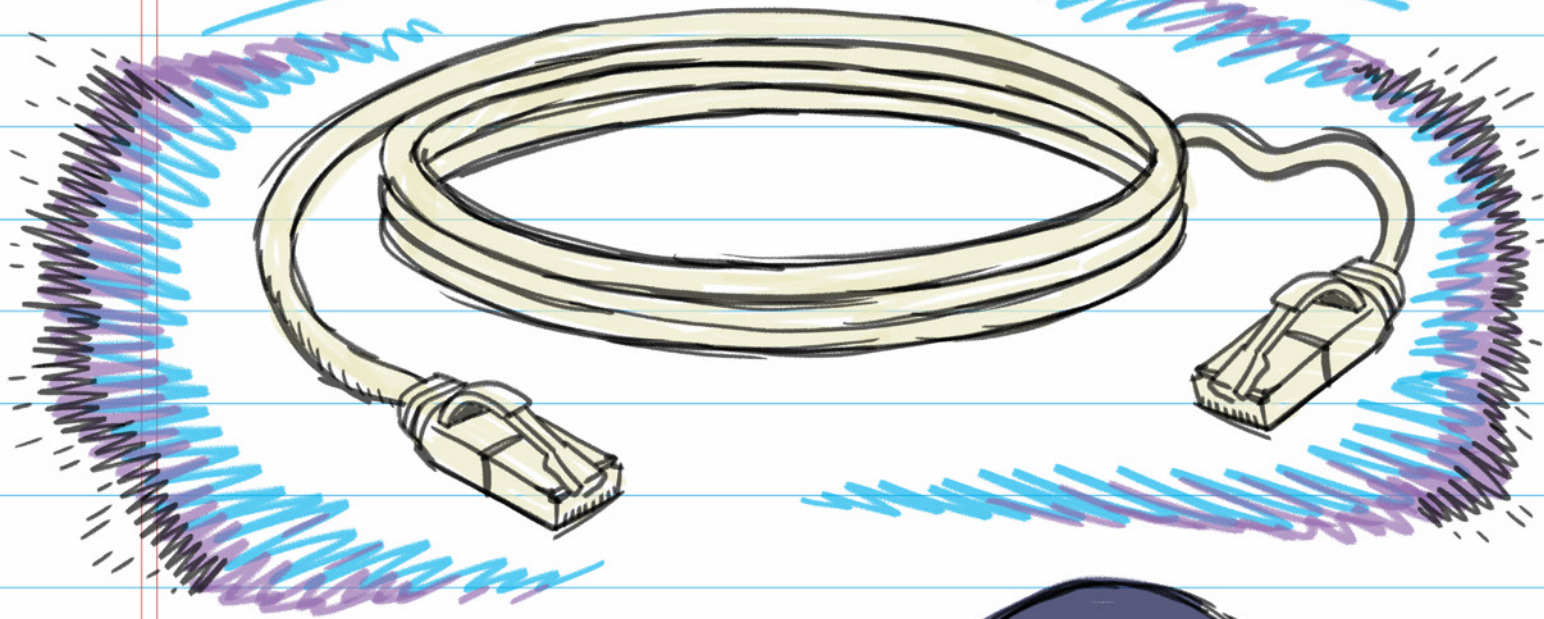

(of Sky On Demand)

Hello mortals. Do exactly as I say to get hours of entertainment On Demand. First, identify your secret weapon of mass control. I really shouldn't tell you what it is. Ok it's your Sky Box.

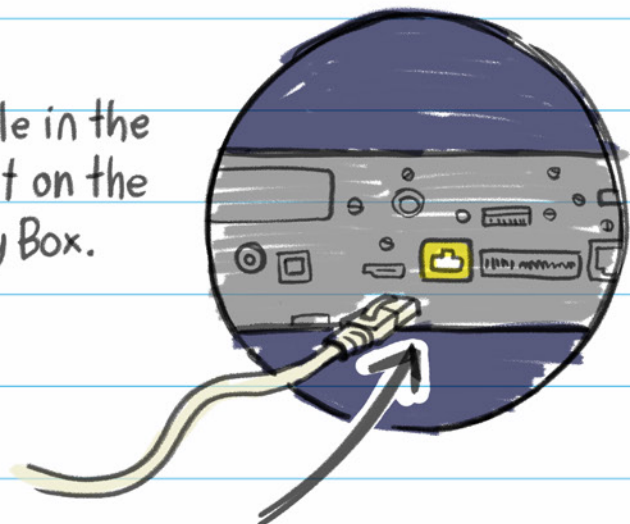

My Sky Plus and My Sky HDI using a cable

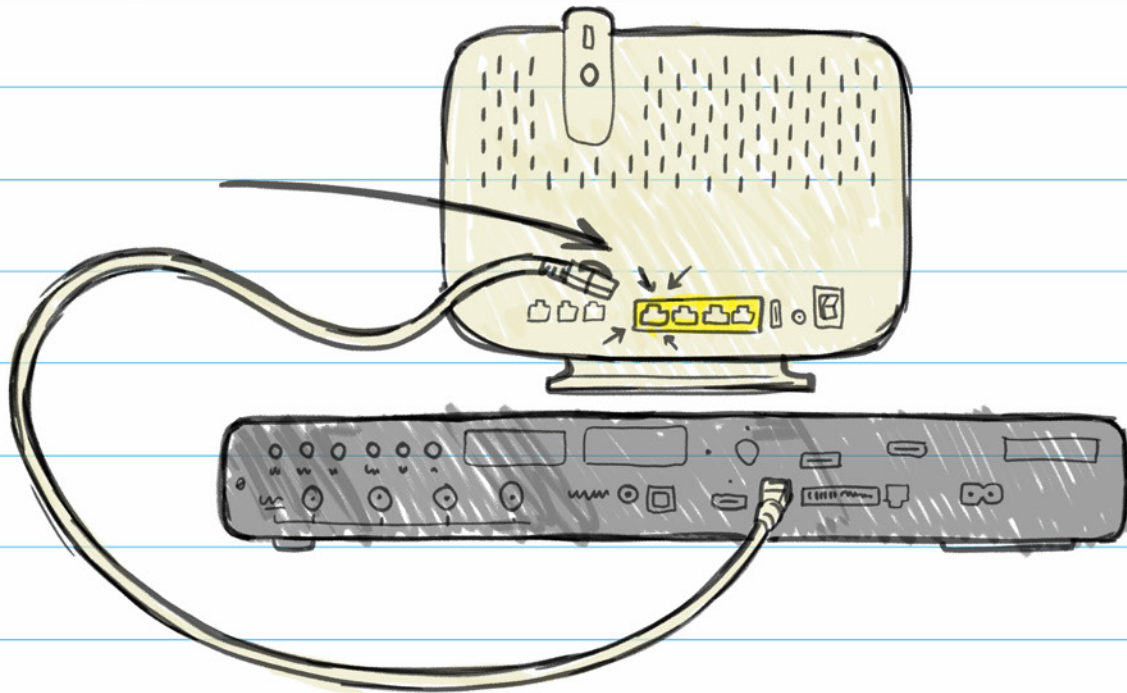

1.

Connect the cable in the box into the port on the back of your Sky Box.

2. Plug the other end into the cable port on the back of your modem or router.

3. Now simply press the Box Office button on your remote and you're away laughing.

Congratulations mortals
you are now On Demand
masterminds. Do with your
newfound control what you will.

Still not in control?
